A New York Christmas: A Novel Anne Perry

Anne Perry's new Christmas novel is an irresistible tale of love, betrayal, greed, murder, and selfless devotion. For the first time, Perry's annual yuletide offering is set in New York City—a sparkling young metropolis bursting with life, promise, and subtle menace.

The year is 1904. Twenty-three-year-old Jemima Pitt, the daughter of Thomas Pitt, head of Britain's Special Branch, is crossing the Atlantic. She is traveling with an acquaintance, Delphinia Cardew, who is to marry the aristocratic Brent Albright in a high-society New York wedding—a grand affair that will join together two fabulously wealthy families, titans of the international financial world.

But Jemima senses a mysterious shadow darkening the occasion. Missing from the festivities is Delphinia's mother, Maria, who is marked by disgrace. Nearly sixteen years ago, Maria abandoned young Delphinia and disappeared—and now the Albrights refuse to mention her name. But when Harley, the groom's charismatic brother, asks Jemima to help him search for Maria and forestall the scandal that would surely follow if the prodigal parent turned up at the wedding, she agrees to assist him.

From Hell's Kitchen to Fifth Avenue, the Lower East Side to Central Park, Jemima trudges through strange, snowy streets, asking questions but getting few answers—and never suspecting that she is walking into mortal danger, from which not even a handsome young police officer named Patrick Flannery may be able to protect her.

Once more, Anne Perry delivers a suspenseful, deeply moving novel that captures the essence of the holiday spirit.

Praise for the Christmas novels of Anne Perry

“Perry's Victorian-era holiday mysteries . . . are for many an annual treat.”—*The Wall Street Journal*

A Christmas Hope

“Very much recommended . . . a wonderful story.”—*Historical Novel Review*

A Christmas Garland

“In Anne Perry's gifted hands, the puzzle plays out brilliantly.”—*Greensboro News & Record*

A Christmas Homecoming

“Could have been devised by Agatha Christie . . . [Perry is] a modern master.”—*Pittsburgh Post-Gazette*

A Christmas Odyssey

“[Perry] writes with detail that invades the senses.”—*Lincoln Journal Star*

A Christmas Promise

“Poignant . . . should be on the Christmas stocking list of anyone who likes a sniffle of nostalgia.”—*The Washington Times*

From reader reviews:

Sharon Rowe:

It is possible to spend your free time to see this book this publication. This A New York Christmas: A Novel is simple to develop you can read it in the park your car, in the beach, train along with soon. If you did not have much space to bring the printed book, you can buy typically the e-book. It is make you better to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Edward Stevenson:

Many people spending their moment by playing outside together with friends, fun activity along with family or just watching TV the entire day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book will surely hard because you have to use the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Touch screen phone. Like A New York Christmas: A Novel which is keeping the e-book version. So , try out this book? Let's observe.

Becky Duncan:

This A New York Christmas: A Novel is fresh way for you who has fascination to look for some information since it relief your hunger of information. Getting deeper you onto it getting knowledge more you know or else you who still having bit of digest in reading this A New York Christmas: A Novel can be the light food in your case because the information inside this particular book is easy to get by means of anyone. These books create itself in the form that is reachable by anyone, that's why I mean in the e-book application form. People who think that in publication form make them feel tired even dizzy this reserve is the answer. So there isn't any in reading a guide especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the item! Just read this e-book kind for your better life along with knowledge.

Pandora Rice:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this A New York Christmas: A Novel can make you experience more interested to read.
