Some readers may remember this story as *Sapphire's Worth*. Written in 2004, a few brief excerpts were posted on my Web site and they were never forgotten--I've been receiving e-mail about Sapphire and Wulf ever since!

This was my second completed novel and although I have written many more since then, this Arabian Nights tale of seduction, power, and ultimate surrender holds a special place in my heart. Wulfric remains one of my favorite heroes. I hope he'll become one of yours as well!

With love,
Sylvia
