This is one of the best church growth tools today; yet, it's compact enough to fit in your pocket. It encourages readers to have a kindness plan to touch the lives of precious souls by daily patterning their lives after Christ's life. His life perfectly illustrated true courtesy, kindness, and gentleness, for it is in this endeavor that we as branches bear the fruit of the Vine.

The workbook section is a strategy, leading readers to mirror the life of our Master and King with specificity. In so doing, we open wonderful opportunities to share Christ while creating a culture of kindness in our local churches and communities. You will be blessed by this simple approach in changing lives.

“By faith we are to lay hold on a living God, and maintain an experience that shall breathe love, tenderness, kindness, compassion, and affection. These traits of character are the fruit that the Lord Jesus desires us to produce, and to present before the world as a witness that we have a Savior who can uplift and who can satisfy. ... We need not be on the losing side, for in everything He is our sufficiency” (Our High Calling, 144).
