Pubmed Essentials Bengt Edhlund

A user's guide to smarter searching of medical information, 'PubMed Essentials' is the complete and concise guide on how to navigate your way through and perfect your use of PubMed. This book explains in detail the general features, the Medical Subject Headings (MeSH), different search strategies, logical filters and how to communicate PubMed records between colleagues. My NCBI is described as a powerful alert service with your choice of logical filters and how you build and store your own collection of records in PubMed. Anyone who buys all three books in the series ('Manuscript Writing using EndNote and Word', 'PubMed and EndNote' and 'PubMed Essentials') is entitled to one year's free email support from the date of registration. Details on how to apply for this free support are contained within each book.
