The most dangerous man in the world is back. David Morrell's First Blood introduced Rambo, who joined the ranks of Sherlock Holmes, Tarzan, James Bond, and Harry Potter as an international thriller icon. In this further adventure, Rambo is in exile far from home in Thailand, vowing to renounce violence and war. When his country calls him once again, he refuses to accept. But then he learns that his former commanding officer, Colonel Trautman, the only man he trusts, has been captured by the Soviets on the Afghan border during a mission that Rambo rejected. For Rambo, it's a call to arms—and a mission back into hell. This novelization and the film have many differences. Read the story that the film could have had, along with David Morrell's in-depth introduction about Rambo and the book's background.

David Morrell is the award-winning author of First Blood, the novel in which Rambo was created. His numerous other bestsellers include the classic spy trilogy: The Brotherhood of the Rose, the Fraternity of the Stone, and The League of Night and Fog. An Edgar, Anthony, and Macavity nominee, he is a recipient of three prestigious Stoker awards as well as the lifetime-achievement Thriller Master Award from the International Thriller Writers organization.
