The Collector Nora Roberts

From #1 *New York Times* bestselling author Nora Roberts comes a novel of a woman who needs nothing, a man who sees everything, and the web of deceit, greed, and danger that brings them together?and that could tear them apart....

As a professional house-sitter and freelance writer, nothing ties Lila Emerson down?not her work, not a home, and definitely not a relationship. She spends her life moving from one job to the next, sometimes crashing at a friend's Manhattan apartment. And though she can appreciate her clients' extraordinary homes, their expensive collections, and their adorable pets, Lila has never longed for possessions of her own. Everything she has, including her heart, is portable.

But when she witnesses a possible murder-suicide from her current apartment-sitting job, life as Lila knows it takes a dramatic turn.

Artist Ashton Archer knows his charming, clever, and impulsive brother couldn't have killed his girlfriend?or taken his own life. His hope of unraveling what happened lies with Lila, the only eyewitness. And even buried in grief, Ash longs to paint the woman whose deep, dark eyes seem to hold endless reserves of strength and a fiery passion.

Chalking up their intense attraction to the heat of the moment, Lila agrees to help Ash in trying to find out who murdered his brother and why. From the penthouses of Manhattan to grand Italian villas, their investigation draws them into a rarefied circle where priceless antiques are bought, sold, gambled away, and stolen, where what you possess is who you are, and where what you desire becomes a deadly obsession....

From reader reviews:

Patricia Joyner:

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, what best subject for that? Only you can be answered for that concern above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't need do that. You must know how great as well as important the book The Collector. All type of book could you see on many methods. You can look for the internet methods or other social media.

Terry Brown:

Here thing why this specific The Collector are different and trustworthy to be yours. First of all studying a book is good nonetheless it depends in the content of it which is the content is as scrumptious as food or not. The Collector giving you information deeper as different ways, you can find any reserve out there but there is no publication that similar with The Collector. It gives you thrill examining journey, its open up your eyes about the thing that will happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your means home by train. In case you are having difficulties in bringing the branded book maybe the form of The Collector in e-book can be your alternative.

Ann Yoho:

Reading a publication tends to be new life style within this era globalization. With reading you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Plenty of author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some study before they write on their book. One of them is this The Collector.

Sylvia Grable:

As we know that book is important thing to add our expertise for everything. By a reserve we can know everything we really wish for. A book is a pair of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This book The Collector was filled with regards to science. Spend your time to add your knowledge about your technology competence. Some people has several feel when they reading any book. If you know how big benefit of a book, you can really feel enjoy to read a e-book. In the modern era like right now, many ways to get book you wanted.
