THE LAST SAVANNA Mike Bond

"One of the most realistic portrayals of Africa yet." - *Yahoo Reviews*

With Africa's last elephants dying under the poachers' guns, Kenya rancher and former SAS officer Ian MacAdam leads a commando squad against them. Pursuing the poachers through jungled mountains and searing deserts he battles thirst, solitude, terror and lethal animals, only to find that the poachers have kidnapped a young archaeologist, Rebecca Hecht, whom he once loved and bitterly lost.

McAdam embarks upon a desperate trek to save not only Rebecca but his own soul in an Africa torn apart by wars, overpopulation, and the slaughter of its last wildlife. Based on the author's experiences pursuing elephant poachers in the wilds of East Africa.
