Bad Girls Alex McAulay

Thick with suspense and simmering with adolescent turmoil, *Bad Girls* is an action-adventure survival story that pits a group of troubled teens against a forbidding tropical landscape, an elusive enemy, and, worst of all, each other. It's Mean Girls meets Lord of the Flies, and it marks the debut of an innovative new voice in fiction.

Anna Wheeler's parents have had it up to here. They can't seem to control their daughter anymore and so, one night, Anna's yanked from her bed and carted off to Camp Archstone -- bootcamp for troubled teen girls. There, on a vast, remote, sparsely populated island, Anna will be expected to change her ways and repent for the sins her religious father just can't seem to forgive. Here's a hint: There's a boy involved. No, a man. Life at Camp Archstone is Anna's worst nightmare. Every minute of the day is scheduled, the counselors are hardcore, and one girl is crueler than the next. But when a grueling hike into the forest goes horribly wrong, things go from bad to worse. Stalked by an unknown foe and left to fend for themselves, the girls band together to try to find their way back to civilization -- and that's when the real trouble begins.
