Clockwork Wings: the Chronicles of Icarus Part 1 is Greek Mythology with a Steam Punk twist. This previously untold sequel of the Greek heroes, Icarus and Theseus, takes you into a bronze age world with steam punk technology.

When the king of the island of Crete, makes a deal with the god of the underworld, Hades, for a piece of Zeus' bolt, the king no longer needs Icarus' father, the great inventor, Daedalus. Sensing his forth coming demise, Daedalus makes a steam powered set of wings for his son to escape the island. When his father, Daedalus is captured, Icarus goes on the run.

After narrowly avoiding death, and with a little help from the god Poseidon, Icarus reaches the city of Athens, where he must team up with Theseus to defeat Minos and his mysterious steam powered army. But the Athenians don't trust anyone from Crete, and Icarus doesn't exactly receive a warm welcome.

Will Icarus arrive on time to warn Theseus and all of Athens? Will our unlikely hero have the guts to do what he knows is right and stand up against his own people?
