A profound tale of a man's journey to discover his true self. Matt, a motivational speaker, has it all, until a spiritual apparition allows him to see that his material success means nothing if his soul is empty. Follow him on his transformative journey of awareness and awakening as he develops a greater understanding of who he is and teaches those around him, one truth at a time.

Rings of Truth offers a unique blend of ancient truths and contemporary, practical wisdom that readers can use in their everyday lives. The compelling narrative about Matt, a successful motivational speaker, who finds he must reassess all the tenets he has held throughout his life, will touch readers' hearts and provide a powerful emotional connection with the protagonist.

At first unaware of the spirit that guides him, Matt is revealed insights that help him deconstruct his old limiting belief systems and fears while opening a new universe of possibilities for a richer life. While following Matt's spiritual journey, readers themselves will be compelled to revisit their own beliefs and open themselves to a journey of spiritual discovery.

This book will lead readers on a transformative journey of awareness and awakening by showing them that our mission in life is not to externally improve ourselves, but, rather, to develop a greater understanding of who we are. To that end, it serves as a psychological and emotional wake-up call to the emerging Self-awareness of the collective human soul. In addition, it gives readers the keys to Self-Mastery, which will teach them how to create more love, joy and happiness in their lives than they ever imagined possible. All readers will identify with this book's true-to-life premise, be enchanted by its mystery and magic, and be forever transformed by its timeless wisdom.
