The Sesame Street Song Book: Elmo's Piano is an interactive songbook that features a toy piano keyboard. Children can develop their musical skills and hand-eye coordination by playing tunes with Elmo and other popular Sesame Street characters.

This entertaining and educational book is designed for children ages 18 months and older. Each page features lyrics that are set to a familiar song and a simplified version of the melody's sheet music; children can use the keyboard to play along with the melody. The pages are displayed horizontally, which means that they rest directly over the piano keys. When the child presses an icon button, a melody will play. At the same time, a bright LED for each key lights up in sync with the melody so that children can follow along with their fingers.

The Sesame Street Song Book: Elmo's Piano also enables children to play a song on their own by matching the colorful musical notes in the book to the piano keys. Or they can use their imagination to compose new songs on the piano. The book includes these nine fun songs, with lyrics:

Play, Play, the Keys Right Here

Hands and Fingers, Not Your Toes

Oh, That s a Very Big Cello

Abby Waves Her Hand

Bert Be Nimble

Blow, Blow, Blow Your Horn

Grover Rings a Bell

Where Is Oscar?

This Is the Way We Make a Band

The Sesame Street Song Book: Elmo's Piano has a sturdy cover and heavy board pages that withstand rough handling. Children can prop up the book s front cover to make it look like a grand piano. The book comes with three replaceable long-life AG-13 batteries and conforms to the safety requirements of ASTM F963-03.
