The Annotated Two Years Before the Mast Richard Henry Dana

A true story of the battered life of a foremast crewman, *Two Years Before the Mast* is Richard Henry Dana's classic travel narrative, which inspired canonical works such as *Moby Dick* and *Sailing Alone Around the World*. As Rod Scher follows Dana (the Harvard dropout-turned-sailor) on his voyages around North America, he annotates Dana's tale with critiques, compliments, tie-ins to today, and little-known facts about both the book and the milieu of Dana's time.
