The Real Estate Investor's Guide to Financing: Insider Advice for Making the Most Money on Every Deal David Reed

To make real money, investors need the right financing. And as they buy multiple properties, their debt equity rises and it becomes more difficult to get financing. As many investors have learned the hard way, getting the wrong financing can wipe out their profits, hold them back from selling because of a lack of equity, or force them to try to sell for more than the market will bear. "The Real Estate Investor's Guide" to financing is the one book that shows readers how to get the right financial package for the biggest return on their investment. As a respected author and mortgage banker, David Reed has spent more than twenty years helping investors finance their properties. Complete with advice on creative financing and a glossary of investment terms, this is the one guide that will help readers avoid the mistakes that can derail any deal, and start making real money.
