A grisly quadruple slaying drags Marian Larch into a shadowy government cover-up

Marian Larch is tired of murder. This NYPD veteran has seen the worst the city has to offer, and she's not sure she can stand another day. Temporarily assigned to the chaotic Ninth Precinct, Larch is saddled with a callous lieutenant and a partner who can't stand working with a woman. Just coming to work every day is becoming a trial—but it's about to get a whole lot worse.

In the concrete jungle of Alphabet City, East River Park is a rare strip of green. When four well-dressed men are found there, handcuffed together and shot through their eyes, it's up to Larch to find their killer. They were employees of a top-flight tech firm with ties to the US government, and their deaths were meant as a warning. But who was the warning intended for? Answering that question will show Larch that as rotten as the Big Apple can be, it has nothing on Washington.

You Have the Right to Remain Silent is the 4th book in the Marian Larch Mysteries, but you may enjoy reading the series in any order.
