**After Me, The Deluge** David Forrest

This is the story of a young priest in the tiny French village of St. Pierre-des-Monts who receives a telephone call from God warning that he is about to destroy mankind with a second great flood.

Only Father Benoir and his misfit flock will be saved, but they must hurry, said God, and build an ark like Noah's.

AFTER ME, THE DELUGE is an outrageous, irreverent comedy which inspired one of Italy's longest running stage musicals which has been seen by over fifteen million people since its debut in 1974.
