They could be each other's second chance...unless their mistakes are too big to overlook. When Alyssa Warren meets Shane McNeill at a wedding, sparks fly. Despite a litany of mistakes no one will let her forget, she can't resist indulging in one hot night...one that leaves her hungry for more. Alyssa's not ready to let her past scare Shane off, though, so she proposes a casual arrangement-live in the moment, no discussing ancient history. Shane's on board with that. No-strings, kinky sex with a beautiful woman who has no interest in his past-and with a libido that matches his own? Hell yeah. If she knew about the monster mistakes he's made, she'd run for the hills, so he's all for enjoying this wild ride for as long as it lasts. As they delve deeper into each other's kinks, though, it's only a matter of time before trust and intimacy start entangling their hearts. But before a future can take shape, they'll have to come clean...and hope their confessions don't drive them apart. Warning: Contains a woman who knows what she wants in bed and isn't afraid to demand it, and a man who's more than happy to give-or take-anything her body desires. In between making deliciously dirty demands of his own, that is.
