Stuck in a rut in every way possible, Keri decides her first step in a bid for change is moving back to the Texas home she left years ago. The second step? Spicing up her sex life with the crazy-hot cowboys she left behind. Too responsible (and smart) to touch her way back when, Max and Shaw filled Keri's hottest teen dreams. Now she's older, wiser—and more than ready to make up for lost time. Max and Shaw were always fond of Keri, but the stunning woman strutting back into their lives is a far cry from the serious, studious teen they remember. She wants to take a walk on the racy side—with both of them—and the cowboys are only too happy to oblige. As they suspected, the sex is explosive, though Max and Shaw aren't sure Keri can really handle everything they have to give. Nor do they know if she can handle the sexy secret they've yet to divulge.
