Secrets

Johnny Bullard

Secrets Johnny Bullard

“Secrets” takes up where “Nightshade” left off in the sleepy town of Seraph Springs in north central Florida. This continuing saga of hope, struggle, victory and triumph in the Deep South will reveal a multitude of intimate secrets that have long been held deep inside the hearts of many of the characters you came to love in “Nightshade”. Their intriguing secrets and life-consuming passions have been hiding within the moss-festooned, fertile land of tall pines, scrub palmettos, white sand roads and dark rivers of Seraph Springs. They have been whispering in the shadows and are now ready to come into the light. Author Johnny Bullard will have you laughing, crying and fully experiencing the agony and ecstasy that is the secret of nightshade; strikingly beautiful, deadly poisonous, and liberating.

From reader reviews:

James Bass:

Book is to be different for every grade. Book for children right up until adult are different content. As you may know that book is very important for us. The book Secrets has been making you to know about other information and of course you can take more information. It is very advantages for you. The reserve Secrets is not only giving you more new information but also for being your friend when you experience bored. You can spend your current spend time to read your e-book. Try to make relationship with the book Secrets. You never truly feel lose out for everything should you read some books.

Odessa Currie:

Your reading 6th sense will not betray anyone, why because this Secrets publication written by well-known writer who knows well how to make book which might be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and writing skill only for eliminate your own hunger then you still skepticism Secrets as good book not just by the cover but also by the content. This is one e-book that can break don't ascertain book by its deal with, so do you still needing yet another sixth sense to pick this specific!?! Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.

Nancy Figaro:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book had been rare? Why so many issue for the book? But just about any people feel that they enjoy to get reading. Some people likes examining, not only science book but additionally novel and Secrets or perhaps others sources were given understanding for you. After you know how the great a book, you feel wish to read more and more. Science e-book was created for teacher or students especially. Those guides are helping them to put their knowledge. In various other case, beside science reserve, any other book likes Secrets to make your spare time considerably more colorful. Many types of book like here.

Jessica Rodriguez:

What is your hobby? Have you heard this question when you got students? We believe that that concern was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And you know that little person including reading or as studying become their hobby. You need to understand that reading is very important along with book as to be the matter. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You see good news or update about something by book. Amount types of books that can you choose to adopt be your object. One of them is niagra Secrets.
