The demons strike back!

Lily is working with the angels to stifle the last of the demon outbreaks and to figure out how to stop the Silence of God, so life can get back to boring normality. But all hell breaks loose when she's stolen from school and brought face to face with the devil himself. Lily has to find her way back home to Luc, crack the prophecy that breaks the curse silencing God, and figure out how she and Luc can ever really be together; but Lucifer has other plans for her that don't include her ever getting out of Hell in tact.
