My marriage was like a Cinderella story turned nightmare. As a career-minded man, I was too busy pursuing my career and neglected my wife. Our relationship deteriorated; we were quarrelsome; we were on the verge of a divorce...until I got a lifesaver.

This lifesaver was the advice given to me by a very experienced marriage therapist with more than 55 years' experience in marital counselling.

His counselling session did not come cheap. He charged hundreds of dollars per hour.

I took his advice and it saved my marriage. His advice had saved thousands of marriages. Because I know it works, I am going to share his advice with you so that it too can save your marriage.

I must warn you first. His advice is unconventional and seems irrational. Skeptics will scoff at it. But who cares as long as it works!

It works for thousands of people. It worked for me. I am confident it can work for you too.

Will the advice work for you? If you are skeptical, then I don't want to waste your time and money. But if you believe that your relationship is worth saving and you are willing to do whatever it takes, then this advice can help you salvage your marriage or relationship.

Imagine how this book is going to bring back the love, the bliss and the joy. You'll be at peace and in love once again.
