*NOFX: The Hepatitis Bathtub and Other Stories* is the first tell-all autobiography from one of the world's most influential and controversial punk bands. Alongside hilarious anecdotes about pranks and drunkenness and teenage failures—featuring the trademark NOFX sense of humor—the book also shares the ugliness and horror the band members experienced on the road to becoming DIY millionaires. Fans and non-fans alike will be shocked by stories of murder, suicide, addiction, counterfeiting, riots, bondage, terminal illness, the Yakuza, and pee...lots and lots of pee. Told by each of the band members (and two former members), *NOFX* looks back at more than thirty years of comedy, tragedy, and completely inexplicable success.
