The Great Boer War: Illustrated Sir Arthur Conan Doyle

The Great Boer War is a non-fiction work on the Boer War by Arthur Conan Doyle and first published in 1900. During the course of the war some sixteen Editions of this work have appeared, each of which was, I hope, a little more full and accurate than that which preceded it. I may fairly claim, however, that the absolute mistakes made have been few in number, and that I have never had occasion to reverse, and seldom to modify, the judgments which I have formed. In this final edition the early text has been carefully revised and all fresh available knowledge has been added within the limits of a single volume narrative. Of the various episodes in the latter half of the war it is impossible to say that the material is available for a complete and final chronicle. By the aid, however, of the official dispatches, of the newspapers, and of many private letters, I have done my best to give an intelligible and accurate account of the matter.
