The Shine Factor Kris DenBesten

Imagine reaching the end of your life journey and realizing much of your time and energy were focused on the wrong things.

What would you change? How would you live differently if given another chance?

Meet Robert Elder, a performance driven high-achieving business owner. Take a ride with him on the highway to success. Prepare yourself for an unexpected detour that could make all the difference in your life.

In this simple yet profound parable, Robert finds himself in a curious situation facing some of the choices he has made. As you join Robert on this enlightening journey you may uncover some insights into your own life. Discover the eternal potential of a life focused on doing the right things for the right reason.

Let this compelling story bless you with timeless truths, enduring values and an eternal vision that will brighten your day. Don't just open this book. Open your heart. Open your mind. Let *The Shine Factor* guide you to a future beyond what you could hope for or imagine.

From reader reviews:

David Jones:

Throughout other case, little folks like to read book The Shine Factor. You can choose the best book if you love reading a book. As long as we know about how is important a new book The Shine Factor. You can add expertise and of course you can around the world by way of a book. Absolutely right, mainly because from book you can realize everything! From your country until eventually foreign or abroad you can be known. About simple factor until wonderful thing you may know that. In this era, we could open a book or perhaps searching by internet product. It is called e-book. You may use it when you feel bored to go to the library. Let's examine.

Robert Monson:

Spent a free time for you to be fun activity to complete! A lot of people spent their spare time with their family, or their very own friends. Usually they doing activity like watching television, about to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? May be reading a book might be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to test look for book, may be the reserve untitled The Shine Factor can be great book to read. May be it can be best activity to you.

Rose Ibarra:

Is it anyone who having spare time in that case spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This The Shine Factor can be the solution, oh how comes? A fresh book you know. You are so out of date, spending your time by reading in this new era is common not a geek activity. So what these publications have than the others?

Charles Collier:

That reserve can make you to feel relax. This kind of book The Shine Factor was vibrant and of course has pictures around. As we know that book The Shine Factor has many kinds or type. Start from kids until young adults. For example Naruto or Investigator Conan you can read and think that you are the character on there. So , not at all of book usually are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading in which.
